

Host A House Party!

House parties are a great way to introduce CWEALF to a new audience and help raise money to support the organization.

As the host of a CWEALF house party, you have total control over planning the event. Invite friends, family, co-workers, and acquaintances to a party that will benefit CWEALF. The format is very flexible and past hosts have had events ranging from mid-week cocktail parties to weekend dinner parties. It is just important that you pick an event that will be fun for you to plan.

Throughout the process, CWEALF's development staff will be available to offer any support you need. Once you have settled on a date and location, CWEALF can help design and print invitations for you to send to your guests. On the day of the party CWEALF staff will attend the event to share information about the organization and ask guests to make a donation.

If you are interested in hosting a party for CWEALF, contact Krystal Frazao at 860-247-6090 or email kfrazao@cwealf.org for more information.
